RE: Governor calls on WIFIA

Purpose: On May 15, you sent a letter to all 50 governors to notify them that you are extending the deadline to submit letters of interest to WIFIA from July 6th-July 30th. OCIR recommends you call several

Ex. 5 Deliberative Process

Background: The WIFIA program received \$63 million in funding in the Consolidated Appropriations Act, 2018, more than double the program's funding from 2017. Leveraging private capital and other funding sources, these projects could support \$11 billion in water infrastructure investment and create more than 170,000 jobs.
